TO ALL THE INSURANCE COMPANIES, RATING BUREAUS AND ADVISORY ORGANIZATIONS
LICENSED IN THE COMMONWEALTH OF PUERTO RICO

Gentlemen:

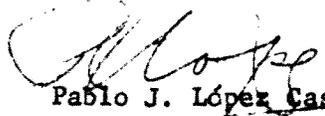

I am much pleased to advise you that we already have for sale the English text of the new Puerto Rico Insurance Code.

The cost per copy is \$4.00 in money order or check payable to the order of the Secretary of the Treasury, Commonwealth of Puerto Rico, plus 12 cents in stamps per copy to cover postage, if ordinary mail is used. Should you prefer air mail, stamps in the amount of 96 cents would then be necessary. Please do not include postage charges in your check, but send the stamps separately.

I might add that the code we are offering is prepared in loose leaf form with a nice hard cover. It has a complete index and a table of contents indicating subject matter and the sections under which each matter is discussed.

In order to expedite your order, please include with it your check and stamps as above stated.

Cordially yours,

Pablo J. López Castro
Commissioner
