These reports must be completed in their entirety and filed with this office in addition to the convention annual statement, and must be received in this office on or before March 31, 1963.

You are reminded that the filing due date of the convention annual statement and its supporting schedules is March 31, 1963 and must be received in this office on or before that date duly completed in their entirety. It is of utmost importance that this information be filed with the convention annual statement and within the filing due date thereon.

Cordially yours,
