TO ALL INSURERS AUTHORIZED TO TRANSACT MALPRACTICE
LIABILITY INSURANCE IN THE COMMONWEALTH OF PUERTO RICO

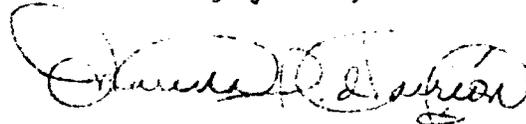

Dear Sirs:

Recently many insureds have approached this Office inquiring about the reasons for the high cost of a Physicians' and Surgeons' Malpractice Liability Policy. In order that we may be able to give a satisfactory answer to this inquiries, we are trying to collect some information about the experience on this line of insurance as follows:

- (1) A statement of Premiums Written, Premiums Earned, Losses Paid, Losses Incurred, Number of Claims and Size of Claim, from 1960 to 1967 included.
- (2) For each of the items in (1) the portion pertaining to reinsurance.
- (3) A statement of rates charged to retained limits and to reinsured limits.

We will appreciate your submitting this information within the next fifteen (15) days.

Cordially yours,

Marina S. de Carrión
Acting Commissioner of Insurance
