TO ALL FIRE AND CASUALTY INSURANCE  
COMPANIES DOING BUSINESS IN PUERTO RICO

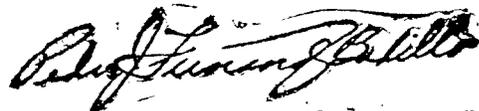

Dear Sirs:

We have received a petition from Seguros Agrícolas de Puerto Rico requesting advise as to the possibility of getting downward deviated fire and windstorm rates for their risks. The possibility of getting this deviation is based on the fact that Seguros Agrícolas de Puerto Rico is willing to handle all matters pertaining the placement of the risk thus reducing the production costs.

Since the proposition implies the submission for approval of a request for a deviation from the approved rates, we would like any property insurance company who is interested in this matter to write to the following address:

Mr. Ramón Vázquez Rodríguez, Director  
Seguros Agrícolas de Puerto Rico  
Apartado 10163  
Santurce, Puerto Rico - 00908

Cordially yours,

Pedro J. Fernández Badillo  
Commissioner of Insurance
