TO ALL FOREIGN PROPERTY AND CASUALTY INSURERS AUTHORIZED TO UNDERWRITE INSURANCE IN PUERTO RICO

INFORMATION REGARDING THE NUMBER OF CLAIMS BECAUSE THE AMOUNT CLAIMED WAS LOWER THAN THE DEDUCTIBLE DENIED, AS A RESULT OF WINDSTORM JEANNE

Dear madam(s) or sir (s):

The Commission of Consumer Affairs and Governmental Reports of the Senate of Puerto Rico is in the process of compiling information related to policies that covers damages caused by windstorm Jeanne.

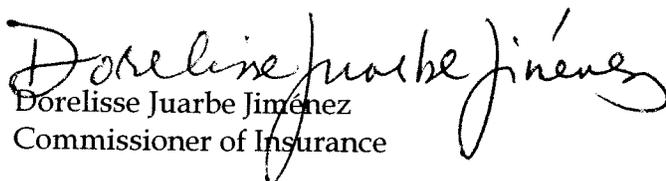

For said reason, the collaboration of the Office of the Commissioner of Insurance of Puerto Rico ("OCI") has been requested in compiling statistical information from those foreign insurers authorized to underwrite property and casualty insurance in Puerto Rico.

All foreign property and casualty insurers must submit to OCI on or before May 31, 2005 the number of claims related with Windstorm Jeanne that were not paid because the claim amount was lower than the deductible. This information must be cumulative up to Friday, May 20, 2005.

If you have any questions, please contact the Statistics Unit at (787) 722-8686, extension 2244.

Strict compliance with what is hereby stated is required.

Cordially,

Dorelisse Juarbe Jiménez
Commissioner of Insurance
