CALENDAR FOR FILING REPORTS FOR YEAR 2006

Dear ladies and gentlemen:

In prior years, the Office of the Commissioner of Insurance ("OCI") has notified its licensees by circular or ruling letters of the deadlines for filing with the OCI the various reports required by the Puerto Rico Insurance Code and its Regulation.

With the purpose of making access and distribution of said reports more agile, we have decided that from this year forward we will implement a new procedure for notification by publishing a calendar that will be send to our licensees yearly, containing the required reports, as well as their due dates. Enclosed with this letter you will find the calendar corresponding to year 2006.

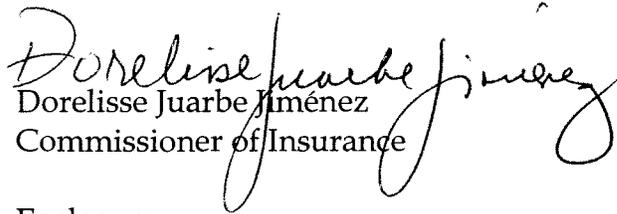

The forms (if applicable) along with the general instructions for completing each report, are available on our website at the following address: www.ocs.gobierno.pr, under the section titled: **Calendar for Filing Reports for Year 2006**. It is the responsibility of each licensee to identify those reports that apply to them and to proceed with their preparation and filing according to the instructions provided. Those licensees that do not have access to the Internet, must request from the OCI, in writing or in person, a copy of the forms with instructions.
