CHECKLISTS FOR LIFE AND DISABILITY PRODUCTS

Dear Sirs or Madams:

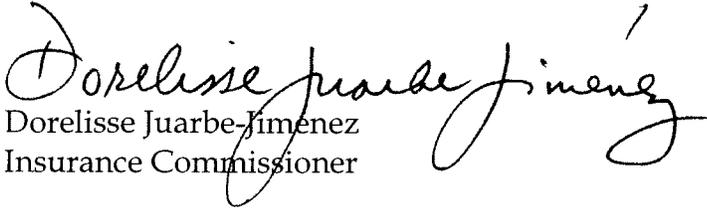

With the purpose of facilitating the analysis of life and disability products submitted for consideration by the Actuarial Analysis Unit of the Office of the Insurance Commissioner, we have prepared checklists that include the requirements to be observed in the filing of the most frequently submitted life and disability products.

Files for these products that are submitted to the Office which do not comply with the requirements set forth in these checklists will not be considered for evaluation and will be returned to the insurer.

The checklists are subject to changes or updates required by law, or ruling or circular letters issued by this Office.

The check lists are readily available through our Web page at www.ocs.gobierno.pr.

Cordially yours,

Dorelisse Juarbe Jimenez
Insurance Commissioner
