The first paragraph of Circular Letter CC-2015-1857-AF, issued by this Office on February 18, 2015, should read as follows:

One of the items on the agenda of this Office is to update the processes and maximize the efficiency of our procedures. To that end, we have adopted an electronic filing mechanism for reports. Beginning on **March 1, 2015**, this mechanism will be available so that our licensees may file the information for the Annual Business report as required in Circular Letter C-ES-3-1727-2005 and the number of direct jobs generated in Puerto Rico, as required in Ruling Letter CN-2014-169-AF.

Very truly yours,

Ángela Weyne-Roig
