ERRATA

In our mailing of Ruling Letter N-AV-10-90-97 of November 24, 1997, we inadvertently did not include the pages of the brochure "A Legislator's Guide to Access, Portability and Renewability Provisions", mentioned in such Ruling Letter. Therefore, we enclose herewith the corresponding enclosure.

A handwritten signature in black ink, appearing to read "Juan Antonio García".

Juan Antonio García
Commissioner of Insurance
