CIRCULAR LETTER NO.: CC-2016-1888-D

TO ALL ENTITIES THAT ARE AUTHORIZED TO CHARGE FOR COMPULSORY LIABILITY INSURANCE AND INSURERS THAT PARTICIPATE IN THE COMPULSORY LIABILITY INSURANCE SELECTION FORM.

RE: NEW SELECTION FORM FOR COMPULSORY LIABILITY INSURANCE 2016-2017

Dear Sirs and Madams:

Beginning on July 1, 2016, a new selection form will be used for compulsory liability insurance, with twelve (12) participating insurers. This form will continue to be on paper and the procedure for using the form is unchanged, so that the guidelines in our Ruling Letter CN-2015-189-LR remain in full effect.

The 2016-2017 form has certain characteristics to distinguish it from the current form, the most important of which are the following:

- The form has a magenta stripe to distinguish it from the current form that will be used until June 30, 2016.
- There is a new insurer. There are now twelve (12) participating insurers.
- The order of the insurers in each box changed.
- There is a new information field for the Registration or VIN number.
- The new information field will not enter into effect until the Department of Transportation and Public Works publishes the regulations for that law.

In order to ensure an orderly process for substituting the new form for the old form, the managing insurer, the Joint Underwriting Association for Compulsory Liability Insurance, the "ASC," has already begun the necessary efforts for the transition to the new form. In that regard, we are enclosing a copy of the email that the ASC has sent to the Authorized Entities.

Very truly yours,

SIGNED

Ángela Weyne-Roig
Commissioner of Insurance
