Jim L. Ridling, a native Arkansan who has lived and worked in Montgomery for the past 20 years, was appointed Insurance Commissioner by Governor Bob Riley on Sept. 15, 2008.

Commissioner Ridling is a graduate of the University of the Ozarks. Upon graduation in 1967, he entered a management training program with Fireman’s Fund Insurance, leading to several management positions and culminating in his service as Executive Vice President of U.S. Operations. In 1987, he embraced a new challenge, leaving California to come back to his native South. He traded his stock in American Express (which owned Fireman’s Fund at the time) for ownership in Southern Guaranty, a Fireman’s Fund subsidiary headquartered in Montgomery. He came to Montgomery as President and CEO of Southern Guaranty. The following year, Southern Guaranty sold to Winterthur Swiss, and he remained in his previous role and added the duties of Chairman until his retirement on December 31, 2003.

Following his retirement from Southern Guaranty, Commissioner Ridling remained active. He and other local business leaders formed River Bank and Trust, where he serves as Vice Chairman today. He has also been an integral part of many community civic charitable endeavors.

Commissioner Ridling serves as Chairman of the Board of Directors for Jackson Hospital and on the Boards of Directors of the Montgomery Airport Authority, the Montgomery Area Chamber of Commerce and the Central Alabama Community Foundation. He is a former Chairman of the River Region United Way and holds memberships on several other boards.

(1989–2003). Before becoming an attorney, she worked in the insurance industry (1973-1985) as a property and casualty claims adjuster.

A member of a seventh generation Tucson pioneer family, she graduated with honors from the University of Arizona (B.A. Philosophy, 1972) and the University of Arizona, College of Law (cum laude, 1988). Director Urias clerked for the Arizona Supreme Court (1988-1989), and the Arizona Bar Foundation named her as one of the Top 50 Pro Bono Attorneys in Arizona.

Director Urias is the President-Elect of the Arizona Foundation for Legal Services & Education (AFLSE) and has served on the Foundation’s Legal Services Committee for several years. Jay Bradford was appointed Insurance Commissioner on Jan. 15, 2009, by Governor Mike Beebe. Bradford brings to the Department more than four decades of experience in the insurance industry, including 30 years as founder, chairman and former shareholder of First Arkansas Insurance Group, a statewide network of independent property and casualty agencies. Customer service and consumer protection have been hallmarks of his career. Prior to his appointment, Commissioner Bradford served for two years as the Director of the Division of Behavioral Health Services within the Arkansas Department of Human Services. He served in the Arkansas legislature for 24 years where he was chosen both Speaker Pro Tempore of the House and President Pro Tempore of the Senate. He also served as Chair of the Public Health, Welfare and Labor Committee in both bodies.

Some of the highlights of his service in the Arkansas Legislature include serving as chief sponsor of the Tobacco Settlement Funding Bill, legislation which resulted in Arkansas being the only state in the nation to mandate all the settlement monies be used for healthcare. He also served as lead Senate sponsor of breast care legislation which resulted in millions of dollars being made available for the prevention and treatment of breast cancer.

A graduate of Subiaco Academy, Commissioner Bradford holds a Bachelor of Arts degree in Economics and Psychology from Henderson State College and has also been recognized as a Distinguished Alumnus of that institution, now known as Henderson State University. He is a Certified Insurance Counselor (C.I.C.) and holds an Honorary Doctor of Science from the University of Arkansas for Medical Sciences.

Ms. Morrison chaired the Health Environment, Welfare and Institutions Committee (HEWI). The HEWI committee debated bills concerning public health, children’s insurance, Medicaid, and the regulation of health care professions. Further, the HEWI committee had legislative oversight for the Colorado Departments of Human Services, Public Health and Environment, and Health Care Policy and Financing. As a Representative in the House, Ms. Morrison also chaired the Health Care Task Force and the Intractable Pain Task Force.

In November 2000, the people of Manitou Springs elected Ms. Morrison as Mayor. Manitou Springs is home to approximately 5,000 residents. It was settled in 1870 and hosts a treasure of natural points of interest as well as engaging community atmosphere.

Prior to being nominated by Governor Ritter, Ms. Morrison served as the chair of the Division of Insurance volunteer Consumer Council and as a consumer representative to the NAIC. Ms. Morrison’s strong background in health care issues and advocacy for consumers are assets to the people of Colorado.

In April 2007, Commissioner Thomas R. Sullivan was appointed by Governor M. Jodi Rell as Connecticut’s 30th Insurance Commissioner in the nearly 150-year history of the agency.

Customer service and consumer relations are hallmarks of his 20-year career in the insurance industry. He began his professional career at The Hartford, advancing through various responsibilities in management, leadership, and executive-level positions culminating as Senior Vice President of Specialty Risk Services, LLC, a wholly-owned subsidiary of The Hartford.

Commissioner Sullivan brings to the Department a broad-based perspective from his tenure in the private sector. Prior to his role in public service, he was active in various risk and insurance management functions on issues ranging from changing demographics in the workforce to workers’ compensation costs. Since joining the Department he has instituted many reforms aimed at making the agency more responsive to consumers, policymakers and the insurance industry. Major initiatives undertaken under his leadership include the implementation of new procedures geared to help companies bring their products to market quickly and the revamping of the Consumer Services Division.

Commissioner Sullivan has been an active member of the NAIC. He has led and served on a number of committees. He is currently a member of the NAIC Executive (EX) Committee and chair of the Life Insurance and Annuities (A) Committee.

Commissioner Sullivan is a past member of the Board of Directors at the Southington-Cheshire Community YMCA. He received a bachelor’s degree in Justice and Law Administration from Western Connecticut State University and a Master of Business Administration from the University of Connecticut. He is a lifelong resident of Connecticut.

Commissioner Karen Weldin Stewart began her insurance career in 1989 as Deputy Receiver in the Delaware Department of Insurance. In 1997, Karen became certified as a Deputy Receiver as she demonstrated her capabilities while managing more than $25 million in insurance company assets for the benefit of the policyholders and settled at least 5,000 claims. In 1997-1999, 2001 and 2003-2004, she served as VP for Specialty Services and then as VP for Regulatory Services Reinsurance Solutions International, LLC (RSI), a subsidiary of Marsh McClellan/Guy Carpenter.

After leaving the Delaware Department of Insurance, Karen was President & CEO of Weldin Group, Inc., an insurance and reinsurance consulting company. Her consultancy attracted contracts and subcontracts with several states, including Texas and Utah, where she was placed in charge of the largest insolvency in American history at the time.

Karen has been actively serving the NAIC for over 20 years as Regulatory Coordinator on the working group that created the original Receivers Handbook for Insurance Company Insolvencies, which is still offered by the NAIC. She also sat at the table to draft model laws to be adopted by various states to receive accreditation.

A Democratic Chairwoman since 1973, Karen was elected president of the Young Democrats of Delaware in 1975. As a Democratic activist, Karen served on numerous campaigns, including Vice President Biden’s first presidential race. Karen currently serves on the City Democratic Committee of Wilmington. Her ancestors settled in Delaware in the late 1600s and had a significant role in the growth and development of the state. In fact, Weldin Road in Brandywine Hundred was named for her family.

Florida CFO Alex Sink is using her three decades of business experience to get results for the people of the state, cutting wasteful government spending, cracking down on financial fraud and reforming state-contracting practices to hold government more accountable.

Sink is currently serving her first term as Florida’s CFO, having been elected statewide in 2006—her first run for public office. As CFO, Sink oversees nearly 3,000 employees and an annual budget of $300 million in the Department of Financial Services. She is also a statewide elected officer of the Florida Cabinet.

For over two years, CFO Sink has been an outspoken watchdog, demanding accountability for Florida’s contracts with private companies—including putting a stop to Project Aspire, an $85 million over-budget and under-performing accounting program she inherited upon taking office. CFO Sink is also working to cut waste in her own department, such as saving taxpayers $2.2 million annually by consolidating consumer-hotline call centers.

CFO Sink stands out as an aggressive consumer advocate, launching initiatives like the Safeguard Our Seniors Task Force, created to protect older Floridians from financial fraud, and Florida’s Housing Help Initiative, which provides assistance to Floridians facing mortgage foreclosure.

Before her election in 2006, Alex Sink was a successful businesswoman, with 26 years of experience in the financial industry, culminating in her leadership of Florida’s largest bank. While establishing herself as a leader in the business community, Sink also used her business skills to help the state, serving as vice chair of Florida TaxWatch and appointed by Governor Chiles to the Commission on Government Accountability to the People.

CFO Sink has worked on behalf of Florida’s children through her service on Governor Chiles’ Commission on Education, the Hillsborough Education Foundation Board of Directors and as chair of Take Stock in Children. Her civic work also includes service in the Florida Chapter of the Nature Conservancy, Junior Achievement of West Central Florida and as chairman of the board of the United Way of Hillsborough County.

CFO Sink grew up on a farm in Mt. Airy, North Carolina, and earned a degree in mathematics from Wake Forest University. She resides in Thonotosassa with her husband, Bill McBride. They are the proud parents of Bert, a graduate of Stanford University, and Lexi, a student at Wake Forest University.

Commissioner McCarty is the agency head of the Florida Office of Insurance Regulation. He is responsible for Florida’s insurance market with oversight of company solvency, policy forms and rates, market investigations, and new insurance business. Since his appointment as insurance commissioner in January 2003, he has focused on implementing innovative technology to improve the regulatory process and has been at the forefront on senior protection as well as protecting historically discriminated minorities in the sale of insurance products.

Commissioner McCarty currently serves as NAIC Vice President, and is a national leader for the development of a National Catastrophe Insurance Plan, including using the NAIC’s Catastrophe Insurance (C) Working Group to develop alternatives for a Federal Backstop. He has championed insurance reforms to protect seniors, including reforms in long-term care insurance (rate stabilization and limiting contestability periods) and annuities (increasing penalties for deceptive practices and strengthening suitability requirements). He also has been an outspoken critic of the expansion of Stranger-Originated Life Insurance. He continues to be a voice in support of state-based regulation, recognizing the need to strengthen states’ abilities to do what is necessary to ensure viable marketplaces.

Commissioner McCarty received his law degree and an undergraduate degree in political science from the University of Florida.

John W. Oxendine was first elected Georgia Insurance and Safety Fire Commissioner on November 8, 1994. He has since won three consecutive elections and is now serving in his fourth term of office. Oxendine has gained the reputation of a strong advocate for Georgia consumers while maintaining a vigorous competitive environment for Georgia insurance companies.

In addition to being Georgia’s Insurance Commissioner, Oxendine is also the Safety Fire Commissioner, Industrial Loan Commissioner, and Comptroller General. His duties include regulating approximately 1,600 insurance companies, licensing 137,000 insurance agents, and regulating more than 1,000 industrial loan offices (companies that make loans of $3,000 or less).

Oxendine is a senior member of the NAIC, where he has received national recognition as co-chair of the Military Sales (D) Working Group—a committee dedicated to protecting American military personnel from unscrupulous insurance sales practices.

During his tenure as Commissioner, Oxendine has championed policies aimed at protecting the interests of Georgia consumers and promoting a competitive marketplace. He successfully fought for legislative proposals to increase the portability of health insurance policies and to ensure more affordable choices of health insurance products. He was instrumental in pushing through reform stabilizing the workers’ compensation market and bringing about lower rates. Oxendine has worked to maintain affordable and available property insurance products for Georgia homeowners during times of deteriorating national market conditions. He has also stood against Pay Day Lending legislation to ensure that Georgians are not subject to unfair lending practices.

Commissioner Oxendine received a J.D. from the Walter F. George School of Law at Mercer University and a bachelor’s degree from Mercer University.

Carol has spent more than 30 years in the insurance industry, with experience in both the Property/Casualty and Life/Health segments. She began her insurance career after attending Indiana University where she majored in English and Journalism. In the early years within the P&C segment, she worked for several agencies including Ramey-Mannan (now Rollins Burdick Hunter brokerage), the Daseke Agency, and the Fisk Landers agency, now a part of Gregory & Appel. Carol underwrote both personal and commercial lines of business and ultimately became an outside producer for the Cardinal Insurance Agency in Southport.

Her experience in the Life and Health segment began as the marketing director for an MET product marketed in 10 states. Carol was then appointed as marketing director for Colonial Life & Accident Insurance Company (a UNUM company) to hire and train agents and to manage a sales office for worksite products. She successfully served in this capacity for many years during which time her office received numerous awards on both an individual and agency basis.

In 2005 Carol was asked to serve as Deputy Commissioner for Health Issues of the Indiana Department of Insurance. In 2007, Commissioner Atterholt promoted Carol to Chief Deputy Commissioner for Health and Legislative Affairs. In addition, she represented the Department in all legislative affairs with the Indiana General Assembly.

She lives in Indianapolis with her husband Joe. Her son Steve and daughter Susan and their families are also located in the Indianapolis area and both have followed her into the insurance industry.

Mila Kofman is currently the Superintendent of Insurance in Maine and has served in that capacity since March 2008. In March 2010 she was reappointed to a five-year term.

Prior to her appointment, Ms. Kofman was an Associate Research Professor and Project Director at the Georgetown University Health Policy Institute. She studied state private health insurance market reforms, regulation, products, and financing strategies. Ms. Kofman was the first in the nation to document the most recent cycle of health insurance scams (a report published by BNA)—research that informed a GAO study and a subsequent congressional hearing. In addition to more than 30 peer-reviewed publications, she has testified before the U.S. Senate, the U.S. House of Representatives, and state legislatures.

Ms. Kofman is Secretary of the NAIC Northeastern Zone and a current member of the NAIC Executive (EX) Committee. She served on the NAIC Consumer Participation Board of Trustees for six years, the Board of Directors for URAC for five years, and was co-editor of the Journal of Insurance Regulation for three years. In 2007, she was recognized by the American Council on Consumer Interests and was the 2007 Esther Peterson Consumer Policy Forum Speaker.

Ms. Kofman was a federal regulator at the U.S. Department of Labor (1997-2001). She worked on legislation and implemented HIPAA and related laws. In 2000, she was appointed Special Assistant to the Senior Health Care Advisor to the President at the White House to work on legislative and regulatory initiatives—the Patient’s Bill of Rights, long-term care insurance, nursing home reform, and ERISA reform. In 2000, she was honored with the Labor Secretary’s Exceptional Achievement Award.

Ms. Kofman holds a J.D. from Georgetown University and a B.A. in Government and Politics from the University of Maryland (summa cum laude).

Joseph G. Murphy was appointed Commissioner of the Massachusetts Division of Insurance by Governor Deval Patrick on Feb. 8, 2010. He had served as Acting Commissioner since September 2009.

Commissioner Murphy served as First Deputy Commissioner of the Division since 2006, playing active roles in the implementation of the Patrick-Murray Administration’s successful auto insurance reform and the day-to-day operations of the Division, its 130 employees and $12 million budget. He spearheaded an effort to investigate high-percentage increases in small-group health insurance, overseeing a hearing with insurance companies and care providers, and holding special sessions to investigate the prospect of creating group purchasing cooperatives in Massachusetts.

Prior to joining the Division of Insurance, he served as Chief of Staff and Research Director of the Joint Committee on Financial Services and the Joint Committee on Insurance in the Massachusetts Legislature. He currently serves on the NAIC’s Property and Casualty Insurance (C) Committee and the Financial Regulation Standards and Accreditation (F) Committee. He also serves as a member of the Management Committee of the Interstate Insurance Product Regulation Commission.

A native of Quincy, Commissioner Murphy holds a Bachelor of Arts in history and political science. He lives in Boston.

Governor Tim Pawlenty appointed Glenn Wilson Commissioner of the Minnesota Department of Commerce on Dec. 27, 2002. He was reappointed in January 2007.

Under Commissioner Wilson’s leadership, the department has increased its efforts in consumer protection, showing a steady increase in enforcement actions and penalties each of the last four years. Commissioner Wilson also created the Insurance Fraud Unit, a fully functioning police agency housed within the Department of Commerce.

On the national level, Commissioner Wilson has taken several leadership roles with the NAIC. He was elected treasurer of the Interstate Insurance Product Regulation Commission in December 2006 and served on a national panel discussing the issue of suitability.

Prior to his appointment as Commissioner, Wilson served as first vice president of U.S. Bank Home Mortgage, where his special project focus was affordable housing. Before that, he was CEO and chairman of Knutson Mortgage for more than 10 years. During his tenure there, he restored profitability and rebuilt employee confidence.

Vicksburg resident and Tupelo native Mike Chaney is Mississippi’s Commissioner of Insurance. Prior to his election in 2007, Commissioner Chaney served seven years in the Mississippi House of Representatives and eight years in the Mississippi Senate, where he became the first Republican to serve as Chairman of the Education Committee. Since taking office in January 2008, Commissioner Chaney has brought a style of openness and accessibility to the office, including opening a Mississippi Insurance Department on the Gulf Coast. He also spearheaded a wind mitigation program for the Mississippi Gulf Coast to help homeowners realize discounts on their wind insurance premiums.

Commissioner Chaney has overseen the addition of 49 property and casualty companies in states—30 multi-line and 19 single-line—and he has overseen the addition of 18 surplus lines companies. Other accomplishments include: working to streamline and modernize the licensing procedures used in the department; strengthening and stabilizing the state’s Windpool; lengthening the amount of time the department has to respond to rate filings; working to secure insurance for volunteer firefighters; and seeking legislation to protect victims of domestic violence from discrimination by health insurance companies.

He is a businessman with a strong background in energy and agriculture and a strong advocate for consumers. He was a pioneer in workers’ compensation in Mississippi. Commissioner Chaney has served on numerous community development entities, including serving as president of the Vicksburg Chamber of Commerce and president of the Vicksburg Economic Development Committee. He is a Rotarian and Paul Harris Fellow.

Commissioner Chaney is a 1966 graduate of Mississippi State University with a B.S. in Business and Finance and is a veteran of the United States Army, serving in Vietnam in 1968-69.

On Feb. 6, 2009, Gov. Jay Nixon appointed Missouri native John M. Huff as director of the Missouri Department of Insurance, Financial Institutions and Professional Registration. In this position, John leads Gov. Nixon’s initiatives to protect consumers, including insurance policyholders and financial institution customers, during these difficult economic times.

An attorney, John brings 16 years of leadership experience in the insurance industry to a state department charged with protecting consumers through the regulation of professionals and businesses that impact Missourians’ lives daily. The department regulates more than 500,000 professionals and 7,000 companies, including insurance companies, banks, credit unions and other professional corporations. He leads a team of 550 at the department.

One of John’s top priorities is using technology to improve the efficiency and effectiveness of license applications, renewals, complaints, enforcement actions and board and commission nominations. This effort includes partnering with associations and other states to streamline regulatory functions that will increase productivity, decrease costs, and speed the delivery of regulatory information and quality products to Missouri consumers.

John serves as a director and trustee on several boards promoting better financial services and education for Missourians: Missouri Health Insurance Pool; Missouri Council on Economic Education; Missouri Consolidated Health Care Plan; Missouri State Employees Voluntary Life Insurance Commission; and the Alzheimer’s Health State Plan Task Force.

Before entering public service, John spent three years as an executive with Swiss Re, one of the world’s leading reinsurance companies, most recently at the company’s global headquarters in Zurich. Prior to that, John spent eight years with GE Insurance Solutions.

John earned his bachelor’s degree in business administration from Southeast Missouri State University. In 1987, he earned an MBA at Saint Louis University, and graduated in 1990 from the Washington University School of Law in St. Louis. He and his wife and daughter live in Columbia.

Monica J. Lindeen was elected Commissioner of Securities and Insurance, Montana State Auditor in November 2008. Whether it’s protecting consumers, advancing Insure Montana to assist small businesses, promoting wellness and preventive care, or harnessing technology to improve health care, Monica is working hard to make a difference in the lives of Montana families.

In 1999, Monica began serving the people of Montana in the State House of Representatives. Due to her hard work in the legislature, she quickly became a leader and served four terms (1999-2006). Monica has a reputation as a common sense moderate who knows how to get things done for Montanans.

Monica is respected for her ability to put principles before politics and work with colleagues on issues that help Montana working families and businesses. In her first year as Commissioner, Monica retained a key assignment with the NAIC by being selected to the Health Insurance and Managed Care (B) Committee. In January, 2010, she was appointed to Chair the NAIC Designated Program Advisory Board. She is also a member of the NAIC Executive (EX) Committee.

Prior to public service, Monica formed a highly successful Internet business—Montana Communications Network (MCN), one of the first Montana-based, local Internet providers. From 1994 to 1996, she was a part-time faculty member in the MSU-Billings English Department and taught simultaneously as a graduate assistant in the Department of Educational Foundations.

Monica received a B.S. of Education in English/History and completed graduate coursework in the educational foundations field from MSU-Billings. Monica and her husband, David, have a daughter, two sons, and seven grandchildren.

Brett J. Barratt was named Nevada Insurance Commissioner on July 7, 2010. He served as Acting Commissioner upon the June 2, 2010, resignation of Commissioner Scott Kipper, and has committed his efforts to leading the Nevada Division of Insurance through this transition, ensuring that the agency will continue to provide efficient, responsive and consistent regulation of the state’s $12 billion insurance industry.

Prior to Commissioner Barratt’s acceptance of this new post, he served as Chief Insurance Assistant for the Division. In that capacity, he was involved with virtually all aspects of state insurance regulation. Commissioner Barratt began his tenure with the Division in 2005 as Insurance Council and Hearing Officer, and since then, his duties have included being directly responsible for the Division’s role in the legislative process.

Commissioner Barratt became a member of the Nevada Bar in 2003. Upon bar passage, he practiced bankruptcy law, creditor’s rights, reorganization and civil litigation with the firm Shea & Carlyon, Ltd., in Las Vegas, Nevada.

Commissioner Barratt graduated from Westminster College in 1999, and earned his J.D. degree, cum laude, from Michigan State University College of Law in 2003. While in law school, he was a member of the Jessup Moot Court Team and a Note and Comment Editor for the Michigan State University College of Law’s Journal of International Law. Additionally, he clerked for the Canadian National Senate’s Parliamentary Counsel and for the Honorable Judge Richard F. Suhrheinrich of the Sixth Circuit.

Commissioner Barratt resides at Lake Tahoe, Nevada, and enjoys golfing, skiing, fishing, mountain biking and camping. He also is an accomplished world traveler who enjoys exploring distant landscapes and immersing himself in foreign cultures.

An accomplished public servant, attorney and community leader, Mary Jo Hudson officially took office as the 46th Director of the Ohio Department of Insurance on Jan. 8, 2007. She was appointed by Governor Ted Strickland to join his cabinet on Dec. 21, 2006. Under Director Hudson’s leadership, the Department has made great strides to protect insurance consumers and promote a healthy insurance market. The Department has increased its efforts to empower Ohio’s seniors to protect themselves and has fostered collaboration among its internal divisions and with other state agencies to combat predatory insurance sales practices directed toward Ohio senior citizens.

Director Hudson led Governor Strickland’s efforts to reduce the number of uninsured Ohioans by 2011. The Department led a comprehensive approach to covering Ohio’s uninsured residents, bringing together a broad-based coalition of stakeholders and interested parties. With the group’s recommendations, Ohio’s budget bill, H.B. 1 of the 128th General Assembly, will enable approximately 109,000 more Ohioans access to health insurance and allow for improvements in the quality and cost effectiveness of Ohio’s health care system.

Ohio is a member of the Interstate Insurance Compact, which enables an insurer to file a single asset-based product that, when approved, can be sold in all 36 member states. Director Hudson serves as the chair of the Compact’s Management Committee, and has led Ohio’s efforts to work with other states to develop common product standards, which will make the insurance marketplace much more efficient.

Ohio is an active participant in the NAIC, where Director Hudson has been a staunch advocate for state-based regulation and is a member of the Executive (EX) Committee. She serves as a member of the Market Regulation and Consumer Affairs (D) Committee; the Financial Condition (E) Committee; the Financial Regulation Standards and Accreditation (F) Committee; the Solvency Modernization Initiative (EX) Task Force; the Market Regulation Accreditation (EX) Task Force; the Casualty Actuarial and Statistical (C) Task Force; the Market Information Systems (D) Task Force; the Antifraud (D) Task Force; and the Examination Oversight (E) Task Force. She also serves as Chair of the SERFF Board and is the Secretary/Treasurer of the Midwest Zone.

Prior to her appointment as Director of the Department of Insurance, she served on the Columbus City Council from 2004 to 2006.

Kim Holland is the first woman elected Insurance Commissioner in Oklahoma state history. She was elected on Nov. 7, 2006, after being appointed by Gov. Brad Henry in January 2005 to fill an unexpired term. In her career as Insurance Commissioner, Holland has restored the integrity of the Department by bringing honesty and vision in creating a completely transparent Department for all Oklahomans. A business woman and active civic volunteer before becoming Insurance Commissioner, Holland has a proven track record of consumer advocacy and more than two decades as an insurance professional.

Dedicated to serving those same consumers now, Holland has expanded and improved the Department’s responsiveness to Oklahoma citizens. Under her leadership, the Department has enhanced its accessibility through toll-free consumer hot lines, improved Internet access and outreach programs across the state.

Insurance fraud prevention and protections are at the forefront of Holland’s priorities. She successfully worked to obtain law-enforcement status for the Department’s Anti-Fraud Unit, allowing for more aggressive pursuit of wrongdoing. Since 2005, the Department has recovered millions of dollars for Oklahoma citizens.

A long-time advocate for affordable health insurance, Holland is working to reduce costs and expand access to coverage. Holland is a former board member of the Oklahoma Health Care Authority and the Oklahoma State Employees Benefits Council. Her professional and public policy experience in health care and health insurance provides a strong backdrop to her commitment as commissioner to help lead health policy reforms that guarantee all Oklahomans access to affordable health care coverage.

Teresa Miller, an attorney and former legislative director for Oregon’s governor, was appointed administrator of the Department of Consumer and Business Services’ Insurance Division on July 8, 2009. She previously served as acting administrator since November 2008. Her background combines consumer protection and legislative experience.

A graduate of Willamette University College of Law in Salem, Teresa spent the first seven years of her career as a lobbyist for clients that included Portland General Electric. She then worked two years as Governor Ted Kulongoski’s legislative director, playing a key role in developing his legislative agenda and working with legislators and stakeholders. In that role, she also became familiar with the Insurance Division and its parent agency, the Oregon Department of Consumer and Business Services.

After handling consumer protection cases for the Oregon Department of Justice, Teresa came to the Insurance Division as deputy administrator in July 2008.

Her hobbies include running, hiking, bicycling, and she brings this energy to her job at the Insurance Division.

Before coming to the TDI, Commissioner Geeslin served as budget and policy advisor on insurance and regulatory matters to Governor Perry at the Governor’s Office and previously at the Lieutenant Governor’s Office. He also worked as chief of staff for the late state Senator Tom Haywood, as a legislative aide to state Senator Florence Shapiro, and as an assistant to U.S. Representative Joe Barton.

Commissioner Geeslin is a 1991 graduate of Texas A&M University, where he received a bachelor’s degree in Communications with a minor in Business Administration. While attending Texas A&M, Geeslin was a member of the Corps of Cadets and served as a Ross Volunteer. He attended public schools in Red Oak, Texas.

Gregory R. Francis was inaugurated as the Lt. Governor of the United States Virgin Islands on Jan. 1, 2007.

He is a product of the Virgin Islands’ public school system, having attended and graduated from St. Croix Central High School. Immediately following his high school graduation, Lt. During his 27 years in the military, Lt. Governor Francis served in Germany, Puerto Rico, and the Virgin Islands. While in the military, he served as a Command Program Support Specialist, Supervisory Military Personal Specialist, and Recruiting and Retention Manager.

Lt. Governor Francis’ reputation for community service involvement has spanned several decades, and has included a variety of organizations in the Territory. Appointed by Governor Charles W. Turnbull, Lt. Governor Francis served as Virgin Islands Director of the Office of Veterans’ Affairs from 1999 to 2001. He then served as the Administrator of St. Croix from 2001 to 2006, when he resigned to announce his candidacy.

Lt. Governor Francis and his wife Cheryl have been married for 31 years, and he is the proud father of three children—one son and two daughters.

A Washington native, Commissioner Mike Kreidler has served the Evergreen State in a variety of elected offices and appointed posts. From the boardroom of his local school district to the state Legislature and the halls of Congress, Kreidler has represented the state’s citizenry for more than 30 years. His dedication, fairness, and hard work won him an appointment by President Clinton as the Regional Director for the U.S. Department of Health and Human Services in 1998. He also served gubernatorial appointments to the Northwest Power Planning Council.

A doctor of optometry, he practiced at Group Health Cooperative of Puget Sound for 20 years. He has a master’s degree in Public Health from UCLA and was a founding director of a community bank. He retired as a lieutenant colonel from the Army Reserve with 20 years of service in 2003.

A staunch advocate for consumer protection and a fair and balanced regulator of Washington’s diverse insurance markets, Commissioner Kreidler was re-elected to a third term of office in 2008. He was honored in 2009 with the “Excellence in Consumer Advocacy Award” presented by consumer advisors to the NAIC, and with the “2010 Leadership Award” by the Statewide Poverty Action Network.

Formed in 1871, the National Association of Insurance Commissioners (NAIC) is a voluntary organization of the chief insurance regulatory officials of the 50 states, the District of Columbia and five U.S. territories. The NAIC has three offices: Executive Office, Washington, D.C.; Central Office, Kansas City, Mo.; and Securities Valuation Office, New York City.

The NAIC serves the needs of consumers and the industry, with an overriding objective of supporting state insurance regulators as they protect consumers and maintain the financial stability of the insurance marketplace.
