

RULE XVII

INFORMATION ON INSURANCE POLICIES

Legal Authority: Section 2.300

Section 1.-Any insurer, general agent or agent from whom information is requested by an interested party or the Commissioner to determine if a particular risk is insured, must submit the required information within the ten days immediately following the receipt of such request. If the risk is already covered, the insurer, general agent or agent must provide a copy of the corresponding policy. The copy to be provided may be a duplicate of the original policy, a photostatic copy, a specimen or any other form permitted by the laws of the Commonwealth of Puerto Rico, provided, that any copy must be duly certified by an authorized officer of the insured, general agent or agent.
