NOTES TO FINANCIAL STATEMENTS

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

A. Accounting Practices

The financial statements of Antilles Insurance Company have been prepared in conformity with accounting practices prescribed or permitted by the National Association of Insurance Commissioners (NAIC) and the Insurance Commissioner of Puerto Rico.

B. Use of Estimates in the Preparation of the Financial Statements

The preparation of financial statements in conformity with Statutory Accounting Principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities. It also requires disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the period. Actual results could differ from those estimates.

C. Accounting Policy

Premiums are earned over the terms of the related insurance policies. Unearned premium reserves are established to cover the unexpired portion of premiums written. Such reserves are computed by pro rata methods for direct business written.

Expenses incurred in connection with acquiring new insurance business, including such acquisition costs as sales commissions, are charged to operations as incurred. Expenses incurred are reduced for ceding allowances received or receivable.

In addition, the company uses the following accounting policies:

1. Short-term investments are stated at cost.
2. Bonds are stated at cost and premiums/discounts are amortized using the effective yield (Scientific) method.
3. Common stocks are valued at market value.
4. Preferred stocks are carried at cost, lower of cost or amortized cost, or fair value depending on the assigned credit rating and whether the preferred stock has mandatory sinking fund provisions.
5. Mortgage loans are valued at unpaid principal balance.
6. Loan-backed securities are stated at amortized cost or the lower of amortized cost or fair market value.
7. The Company has no investment's in subsidiaries, controlled or affiliated companies.
8. The Company has no ownership interests in joint ventures, partnerships or limited liability companies.
9. The Company has no derivatives.
10. The Company does not anticipate investment income as a factor in the premium deficiency calculation.
11. Unpaid losses and loss adjustment expenses include an amount determined from individual case estimate and loss reports and an amount, based on past experience, for losses incurred but not reported. Such liabilities are necessarily based on assumptions and estimates and while management believes the amount is adequate, the ultimate liability may be in excess of or less than the amount provided. The methods for making such estimates and for establishing the resulting liability is continually reviewed and any adjustments are reflected in the period determined. The company has no environmental remediation exposures.
12. There has been no change in the capitalization policy.
13. The Company has no pharmaceutical rebate receivables.

2. ACCOUNTING CHANGES AND CORRECTIONS OF ERRORS

The Company prepares its statutory financial statements in conformity with accounting practices prescribed or permitted by the Commonwealth of Puerto Rico. Effective January 1, 2001, the Commonwealth of Puerto Rico required that insurance companies domiciled in the Commonwealth of Puerto Rico prepare their statutory basis financial statements in accordance with the NAIC Accounting Practices and Procedures manual subject to any deviations prescribed or permitted by the Commonwealth of Puerto Rico Insurance Commissioner.

Accounting changes adopted to conform to the provisions of the NAIC Accounting Practices and Procedures manual are reported as changes in accounting principles. The cumulative effect of changes in accounting principles is reported as an adjustment to unassigned funds (surplus) in the period of the change in accounting principle. The cumulative effect is the difference between the amount of capital and surplus at the beginning of the year and the amount of capital and surplus that would have been reported at that date if the new accounting principles had been applied retroactively for all prior periods. The Company did not make any changes in accounting principles that would have increased or decreased unassigned funds (suplus) for the year ended December 31, 2012.
