## THINGS TO KNOW ABOUT UPDATING YOUR INSURANCE

1

Have an insurance checkup with your agent once a year, well before hurricane season, whether you own or rent.

2

Make sure you have flood insurance that must be obtained separately and has a 30-day waiting period to take effect.

3

Visit [floodsmart.gov](http://floodsmart.gov) to learn about your flood risk and flood insurance options for your area.

4

Prepare your home and vehicles according to your specific insurance policies to ensure damages are covered.

5

Know where your insurance documents and contact information are located. Take them with you if you evacuate.
